

WHAT IS MEISHI?

MEISHI is a progressive web app that allows you to create a digital business card portfolio that is easy to share, placing you and your company at the cutting edge of technology. Fully responsive on mobile and desktop which means the same great experience delivered across all devices. Your Meishi Portfolio can be designed around your unique brand identity and can act as your central communication hub, pocket portfolio and digital showroom.

WHAT MAKES MEISHI DIFFERENT

Meishi is a digital business card **ON STEROIDS!**

✔ INTEGRATED

A Meishi Portfolio gives your clients all the info they need to make contact with you in any manner they choose.

✔ SHOWCASE

Showcase your business by guiding users to the key elements on your website.

✔ RESPONSIVE DESIGN

Clients can fill in forms directly through your digital business card.

✔ ANALYTICS

Real-time usage tracking provides insightful analytics to identify opportunities or weaknesses within your business model.

✔ GO GREEN

Conventional business cards are killing trees. Because we offer a 100% digital product, your business will greatly reduce its carbon footprint.
